SUMMARY

I am Bulcha Leta, a recent Computer Science graduate from Rift Valley University with a 3.64 GPA and a solid foundation in technology and front-end development. Skilled in HTML, CSS, JavaScript, React and responsive web design, with a passion for building clean, user-friendly interfaces. I hold a Udacity certificate in Internet Programming, which strengthened my practical skills in web technologies. A quick learner and detail-oriented individual, I am eager to contribute to innovative projects at ABC Software Development. Highly motivated to grow in the field of IT and software development.
